Group 3: Sprint 1 Review Report

Aaro Jylhämäki, Juhana Hänninen, Leevi Rinnetmäki, Nea Lukumies

What has been done

- Project Vision and Project Plan were written and submitted on Moodle (also available in GitHub repository)
- GitHub repository created
- Trello board set up with Product Backlog and Sprint 1 tasks

What is in progress

- Design user interface in Figma -> This was planned for Sprint 1 but postponed to Sprint 2
- Implement JavaFX user interface
- Develop core features as set up on Trello´s Sprint 2 board

Obstacles we faced

- Postponement of Figma task to Sprint 2 due to timing constraints
